*Please complete the Post Test, Evaluation, and Certification, and email to
Info@LeslieDavenport.com. The questions of the post test and evaluation are essay
format. The length of each answer should be a concise paragraph per question, or
roughly 150 - 200 words per answer.*

Post Test:

1. Describe common misconceptions, or myths, about guided imagery.

Certification:

Print initials by either True or False

True ____ False ____

I certify that I have read *Healing and Transformation Through Self Guided Imagery* by Leslie Davenport. MFT in its entirety within my current license renewal period. I further certify that I personally and solely completed the post test and course evaluation honestly and accurately.
Today's Date _____

Once your essay and evaluation has been received, it will be evaluated for relevance, accuracy and content. When it is determined that it is acceptable for CEU credit, you will receive an email of acceptance with a printable Certificate of Completion as an email attachment. Certificates are generally provided within 48 hours of the receipt of the post test. Please be sure your email account is set up to accept messages with attachments, and will recognize emails from Info@LeslieDavenport.com. Please know that we never share any of your personal information.

Thank you!
