Please complete the Post Test, Evaluation and Certification, and email to <u>Office@LeslieDavenport.com</u>. The questions of the post test and evaluation are essay format. The length of each answer should be a concise paragraph per question, or approximately 150 – 200 words per answer.

## **Post Test:**

1. Describe common misconceptions, or myths, about guided imagery.

2. How can guided imagery be used to achieve more adequate and satisfying interpersonal relationships?

3. How does imagery support knowledge of human capabilities and unconscious motivations in human behavior?

4. Discuss how you would apply self guided imagery to your practice.

## **Evaluation:**

• Write a critique of *Healing and Transformation Through Self Guided Imagery*.

• Is there anything else you would like us to know? (Optional)

**Certification:** *Print initials by either True or False* 

True\_\_\_\_ False\_\_\_\_I certify that I have read Healing and Transformation<br/>Through Guided Imagery by Leslie Davenport, MFT in<br/>its entirety within my current license renewal period. I<br/>further certify that I personally and solely completed<br/>the post test and course evaluation honestly and<br/>accurately.

Today's Date

Once your essay and evaluation has been received, it will be evaluated for relevance, accuracy and content. When it is determined that it is acceptable for CEU credit, you will receive an email of acceptance with a printable Certificate of Completion as an email attachment. Certificates are generally provided within 48 hours of the receipt of the post test. Please be sure your email account is set up to accept messages with attachments, and will recognize emails from Office@LeslieDavenport.com. Please know that we never share any of your personal information.

Thank you!
